

# Coordinated Juris Doctor / Master of Public Health Program

---

The School of Public Health offers a coordinated Master of Public Health and Juris doctor (MPH/JD) degree program in cooperation with the Cumberland School of Law at Samford University in Birmingham, Alabama. The purpose of the program is to offer future attorneys exposure to the broad areas of public health.

## Curriculum

Students in this track must complete 43 credit hours. This includes the MPH Core, SOPH requirements, track requirements, electives and internship. A total of 90 credit hours of coursework are required for the coordinated JD/MPH. Normally, 42 credit hours are required for the MPH degree, however, because of the coordinated nature of the degree, 13 credit hours from the JD curriculum are credited to the MPH and 12 hours from the MPH curriculum are credited to the JD. Students may complete the MPH totally online, in class, or through a mix of online and in class experiences.
