

Department of Art & Art History

Chair: Dr. Rich Gere

The Department of Art and Art History grants the following undergraduate degrees: a Bachelor of Arts and a Bachelor of Fine Arts. The B.A. has two areas of concentration: Art Studio and Art History. The department awards a Master of Arts in Cultural Heritage Studies as well as a Master of Arts in Art History in conjunction with the University of Alabama at Tuscaloosa. The MA in Art Education degree is granted through the School of Education. UAB's Department of Art and Art History is accredited by the National Association of Schools of Art and Design. Nationally and internationally active scholars and artists who promote creative inquiry, scholarship and innovation are actively teaching in their classrooms and studios.

Art History

Emphasizing skills in critical thinking and visual literacy, students study a breadth of art history across time periods and culture preparing students for a wide range of careers and graduate study.

The Master of Arts degree in Art History prepares students for further academic study at the doctoral level or for professional careers in teaching, museums, galleries, and other arts-related fields. The M.A. degree in Cultural Heritage Studies provides students with the theoretical background and practical skills necessary to enter a career in the emerging fields of cultural heritage practice, policy, and management.

Studio Art

Studio art courses enable students to emphasize the skills and concepts of communicating visually, critically and conceptually. Students are encouraged to create a trajectory and drive for making art through experiencing the disciplines of the fine arts and design.

Students gain hands-on experience as they learn to formulate an understanding of the principles and elements of artistic practice. Students execute artworks by choosing media and technologies that support their ideas. They learn to develop sound research and production values, work in teams, analyze artwork, create professional portfolios and present their work orally and in writing.

The Graphic and Digital Design concentration within the BA emphasizes the traditional and necessary skills of design, print, branding and typography, and digital technology, creating a design-savvy graduate with a technology-based tool set. Courses in this concentration include technology driven subjects such as Motion Graphics, Animation, Web Development, and Mobile App Development, equipping students with in-demand professional skills.

Bachelor of Arts with a Major in Art and an Art History Concentration

The B.A. degree in Art is offered for students who seek a liberal arts education with a concentration in art history.

Must earn a C or better in all coursework.

Bachelor of Fine Arts with a Major in Art

The Department of Art and Art History's Bachelor of Fine Arts degree offers students an intensive exploration across a breadth of media and depth of discipline. Within this context, the undergraduate student prepares to be an artist or designer, begin a career in the arts, or to continue their studies in graduate school. Students gain skills and competencies including: team-based learning, technology, communication, problem solving, aesthetic judgment, interdisciplinary approaches, innovative thinking, critical analysis and professional development throughout their program of study. The BFA exhibition, a highlight of the undergraduate career, both demonstrates and celebrates the students' accomplishments.

Notes:

Admission to the B.F.A. program requires a portfolio review of the student's work submitted to the B.F.A. committee of the Department of Art and Art History. Portfolios are reviewed twice a year, in the Fall and Spring semesters, following announced deadlines for application to the program. Students must receive a C or higher grade in all studio courses. Students select a member of the studio faculty to serve as their primary mentor for their BFA exhibition /capstone course which occurs each spring in the Abrams-Engel Institute for the Visual Arts. All BFA students must complete a minimum of two formal BFA reviews by the departmental faculty before graduation.
