

Department of Theatre

Chair: Mr. Kelly Dean Allison, MFA

The Department of Theatre subscribes to the philosophy that classroom study and practical experience are complementary and of equal value. A wide array of courses related to the performing arts are taught in well equipped studios and smart classrooms. Production opportunities are available in state-of-the-art production facilities, the Morris K. Sirote Theatre, and the Odessa Theatre in the Alys Robinson Stephens Performing Arts Center.

Majors

The Department of Theatre offers a Bachelor of Arts (BA) in Theatre with a General Concentration, a Pre-Professional Performance Concentration, a Pre-Professional Design and Technology Concentration, a Bachelor of Fine Arts (BFA) in Musical Theatre, and a minor in Theatre. The department also offers an honors program for qualified students.

BA Theatre majors may be admitted on a General Concentration without an audition or portfolio presentation. The General Concentration provides a student with a broad education in all areas of theatre. Those who wish to specialize in performance may audition for admission to the Pre-Professional Concentration in Performance, and those who wish to specialize in design and production may present a portfolio for admission to the Pre-Professional Concentration in Design and Technology. The Pre-Professional Performance Concentration focuses on acting, with an emphasis on movement and vocal training. The Pre-Professional Design and Technology Concentration focuses on developing design and production skills in the areas of scenery, costume, lighting and audio. Auditions and portfolio reviews are held on campus two times during the academic year starting in November. Additional auditions and portfolio reviews are held at a variety of state, regional and national events.

The Musical Theatre BFA training program focuses on musical theatre performance skills with 78 semester hours in theatre, music, and dance. An audition is required to declare a Musical Theatre major. Auditions are held on campus two times during the academic year starting in November and additional auditions are conducted at a variety of state, regional and national events. Enrollment is limited so students who wish to pursue a Musical Theatre BFA are encouraged to audition early.

Theatre faculty provide individual mentoring and advising to help students matriculate and achieve their academic and professional goals. All students are expected to show progress toward completing university core requirements, participate in the department's productions, and to be professional both in attitude and actions while representing the department.

Scholarships, Stipends, and Other Financial Aid

In addition to university financial aid, stipends and scholarships are available through the Department of Theatre to qualified students. Students awarded Theatre stipends and scholarships are expected to remain in academic good standing. Department scholarships require an overall GPA of 2.5 and a GPA of 3.0 for accumulated Theatre coursework. Students with department stipends must maintain an overall

GPA of 2.25. For more information, call (205) 934-3236 or visit the department web site at www.uab.edu/cas/theatre.
